Wherever possible The Hollow Mountain Cafe tries to source all its produce locally. We are fortunate to be able to work with local suppliers to get the best from Argyll's natural larder and Scotland's great food producers.

Our **Dairy** products are delivered by Mill's Dairy near **Largs,** they provide us with Milk and free-range eggs.

Our **Cakes** are sourced from Scottish suppliers Bidfood in **Oban** and Clarks Foods. We purchase cakes from **Drumnadrochit**-based Cobbs Bakery. All the cakes from this provider are handcrafted.

We bake fresh scones every morning in the café kitchen. Our homemade soups are made with high-quality, fresh ingredients from a local Scottish supplier based in **Oban**, Breckenridge.

We have sourced our **Ice Cream** from Stewart Tower Dairy which is made with their own milk on their dairy farm in the heart of **Perthshire**.

We only ever stock Scottish Spring Water and purchase hand-made Scottish lemonades from Summer House Drinks based in **Aberdeenshire**.
